

Hi.

My name is Vic.

I'm a web developer.

I'm also an occasional designer.

So, I guess I'm right- and left-brained.

Or maybe just bald.

Either way, I'm reasonably certain I'll impress.

Victor Emond

Bold: Max proficiency

Nutrien eKonomics

A powerful tool to help farmers make business decisions by detailing how the right fertilizers can help maximize their return on investment.

Leelyn Smith

An experience rich in execution with a custom Wordpress development for this wealth management company.

Black Spectacles

The marketing site for a leading architectural education firm, built on a balanced foundation of form and function.

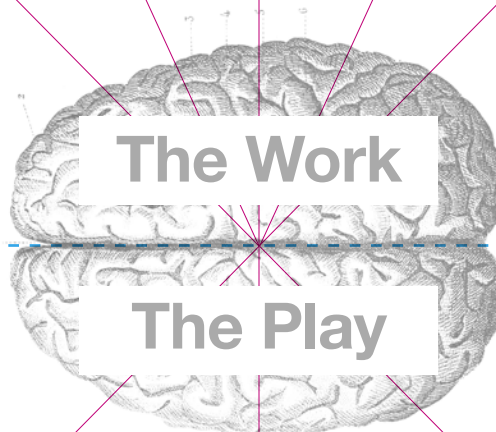

Make-A-Wish Illinois

A site that serves as a testament to the power of hope.

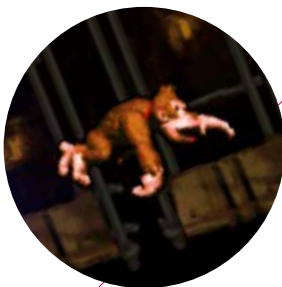

Delaney Hockey

Putting a fine edge on a youth program founded by Kevin Delaney, the Skating and Skills Development Coach for the Chicago Blackhawks.

To get more inside my head, [visit here.](#)

escAPE!

Nintendo it's not. But my Mom thought it was cute. That's gotta be worth something.

Catered by Charlotte

From design to development, I cooked up this tasty site for a talented friend.

Net Ingredients

Hey, want to know a little secret? My site says things like "we can do anything." Well, the "we" is really just "me". Don't tell anyone.

Clients:

Let's get in touch.
